

# **OPEN BLUEGRASS JAM SESSION**

## **AT THE SMOKE ON THE WATER FESTIVAL**

**Bring your favorite instrument,  
and join in the music celebration!**

Bluegrass, as a distinct musical form, developed from elements of old-time music and traditional music of the Appalachian region of the United States. The Appalachian region was where many English and Ulster-Scots immigrants settled, bringing with them the musical traditions of their homelands.

So, bring your favorite banjo, fiddle, guitar, etc., and help us celebrate this Southern and Appalachian tradition!

While you're there, sample BBQ from our cook teams (while it lasts!); enjoy live Muscle Shoals Music all day long; visit our Cruise-In car show featuring over 200 show cars; sign up for our Shoals Championship Cornhole Contest; enjoy a beer at Porky's Pub; visit with our vendors; play in the Kids Zone; and much more!

**SATURDAY,  
APRIL 29, 2017  
NOON TO 1:00 PM**  
(Festival is from  
10 AM to 5 PM)
